

BOX INSPIRATION #7

Welfare Units

Welcome to the seventh issue of Box Inspiration, your weekly dose of fresh container conversion ideas. This week we are talking about Welfare Units.

Our Welfare Units are perfect for construction site use, and have to comply with the Health and Safety at Work Act for Welfare. The Act requires all outside contractors to comply with the regulations, and failure could result in the closure of the site. Our units are a complete solution to site accommodation, and provide a rest and eating area, washing facilities, heating, access to drinking water, changing rooms and lockers, and toilet facilities. View a couple of Welfare Unit examples below:
